

POWERBOOZT 12V 75Ah Semi-Traction Battery

Battery / Accu | POWERBOOZT | PB.956.002

Engineered for intermittent high-demand applications, the semi-traction design handles deep discharge cycles and provides robust starting power. This battery integrates reliably into caravans, campers, and marine systems for essential onboard operations.

Features

- Delivers reliable power for auxiliary systems and starting, ensuring your caravan, camper, or boat remains operational.
- Optimized for intermittent high-demand applications in caravans, campers, and marine environments.
- Combines robust starting power with the durability required for semi-traction usage.
- Designed with standard DIN B13 terminal configuration for straightforward integration into existing systems.
