POWERBOOZT 170Ah Semi-Traction Battery

Battery / Accu | POWERBOOZT | PB.963.AGM

Engineered for semi-traction, AGM technology eliminates electrolyte top-ups and provides superior vibration resistance for consistent power delivery in demanding applications. Its 170Ah capacity sustains extended runtimes, minimizing costly work stoppages in mobile equipment.

Features

- 170Ah capacity provides extended runtimes for continuous operation, minimizing work stoppages.
- Engineered for semi-traction applications, delivering consistent power for forklifts, sweepers, and electric vehicles.
- AGM technology ensures maintenance-free operation and enhanced vibration resistance for increased durability.
- Features a DIN B00 terminal configuration for broad compatibility with standard equipment connections.
