

POWERBOOZT 12V 480Ah Deep Cycle Battery

Battery / Accu | POWERBOOZT | PB.Li.12.480LT

Across demanding off-grid solar, marine, and RV applications where re-installation is impractical, 480Ah LiFePO4 capacity delivers extended operational periods without interruption. Leverage advanced technology for superior cycle life and stable voltage output, outperforming conventional battery chemistries.

Features

- Experience extended operational periods with 480Ah capacity, enabling your critical systems to run longer without interruption.
- Designed for demanding off-grid solar, marine, and RV applications where consistent and reliable deep cycling power is essential.
- Leverage advanced LiFePO4 technology for superior cycle life and stable voltage output, outperforming conventional battery chemistries.
- Built with robust construction and advanced cell management for dependable performance in challenging environments.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
12 V	480 Ah	48 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Deep Cycle Battery	Nominal Voltage	12 V
Chemistry	LiFePO4 (Lithium Iron Phosphate)	Rated Capacity (C20)	480 Ah
Physical Specifications			
Length	362 mm		
Width	354 mm		
Height	192 mm		
Weight	48 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **PB.Li.12.480LT**
