

# POWERBOOZT Portable Powerstation 230V Power Station

Jump Starter / Booster | POWERBOOZT | PBPS1500

For mobile and off-grid use, 1500W continuous/3000W peak power runs demanding tools uninterrupted. Its advanced lithium-ion tech provides high energy density for extended operation between charges.

### Features

- Delivers 1500W of continuous power and 3000W peak output, enabling the operation of demanding tools and appliances on the go.
- Specifically engineered for reliable performance in marine, camper, and caravan applications, providing essential power for leisure and work.
- Utilizes advanced lithium-ion battery technology for high energy density and extended operational periods between charges.
- Features a 230V AC output, ensuring compatibility with a wide array of standard European electrical devices and equipment.

PEAK CURRENT

**3.000 A**

WEIGHT

**12,5 kg**

## Technical Specifications

### Starting Power

Peak Current **3.000 A**

### Voltage Support

12V Support **? Yes**

### Physical Specifications

Length **352 mm**

Width **187 mm**

Height **260 mm**

Weight **12,5 kg**

### Regulatory Compliance

Standards: EN 62133, UN 38.3, IEC 62281

Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **PBPS1500**

EAN/Barcode: **8720618148896**

Manufacturer Code: **PBPS1500**

Model: **Portable Powerstation**
