

POWERBOOZT Portable Powerstation 230V Power Station

Jump Starter / Booster | POWERBOOZT | PBPS600

A 578Wh Lithium-Ion battery delivers 600W continuous and 1200W peak power, ensuring sufficient energy for demanding mobile applications. Engineered for marine, camper, and caravan environments, it provides reliable electricity wherever you go.

Features

- Delivers 600W continuous power and 1200W peak power from a 578Wh Lithium-Ion battery, ensuring sufficient energy for demanding applications.
- Engineered for mobile power in marine, camper, and caravan environments, providing reliable electricity wherever you go.
- Utilizes advanced Lithium-Ion battery technology for efficient energy storage and long-lasting performance.
- Features a 230V AC output, making it compatible with a wide array of standard electronic devices and tools.

PEAK CURRENT

1.200 A

WEIGHT

4,5 kg

Technical Specifications

Starting Power

Peak Current **1.200 A**

Voltage Support

12V Support **? Yes**

Physical Specifications

Length **206 mm**
Width **149 mm**
Height **266 mm**
Weight **4,5 kg**

Regulatory Compliance

Standards: EN 62133, UN 38.3, IEC 62281
Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **PBPS600**
EAN/Barcode: **8720618148926**
Manufacturer Code: **PBPS600**
Model: **Portable Powerstation**
