

RELION 12V 50Ah Deep Cycle Battery

Battery / Accu | RELION | RB52-LT

Enjoy extended uptime with 50Ah capacity & 100A peak discharge for demanding mobile/recreational use. This advanced Li-ion battery offers superior energy density & longer cycle life than lead-acid, lowering total cost of ownership.

Features

- Experience extended operational uptime with a 50Ah capacity, ensuring your equipment remains powered for longer periods, reducing the need for frequent recharging and improving workflow efficiency.
- Engineered for demanding mobile and recreational use, this battery is the perfect power source for golf cars, electric wheelchairs, campers, and marine applications, providing reliable energy wherever you go.
- Leveraging advanced lithium-ion technology, the RB50-LT offers superior energy density and a longer cycle life compared to traditional lead-acid batteries, delivering consistent performance and a lower total cost of ownership.
- Designed for challenging conditions, the low-temperature performance ensures reliable power delivery even in colder climates, while the 100A peak current capability supports high-demand applications with ease.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	COLD CRANKING AMPS (EN)	WEIGHT	HOLD-DOWN TYPE
12 V	50 Ah	100 A	6,4 kg	B00

Technical Specifications

General Information		Electrical Specifications	
Technology	Deep Cycle Battery	Nominal Voltage	12 V
Chemistry	Lithium-Ion	Rated Capacity (C20)	50 Ah
Physical Specifications		Cold Cranking Amps (EN)	100 A
Length	197 mm	Layout	
Width	166 mm	Terminal Type	STUD_M8
Height	173 mm	Terminal Position	+R
Weight	6,4 kg	Hold-Down Type	B00
Case Type	N.B.		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **RB52-LT**
 Manufacturer Code: **RB50-LT**
