

# SUNLIGHT LiFePO4 48V 24Ah Traction Battery

Battery / Accu | SUNLIGHT | SL.GC2.48V24A.Li

Sustained 48V power with 24Ah capacity ensures equipment operates at peak performance for longer durations. Leveraging advanced LiFePO4 technology, this battery offers enhanced safety and extended cycle life for demanding applications.

### Features

- Delivers sustained 48V power with 24Ah capacity, ensuring your equipment operates at peak performance for longer durations.
- Engineered for demanding applications including golf cars, cleaning machines, aerial work platforms, and marine environments.
- Leverages advanced LiFePO4 battery technology for enhanced safety, extended cycle life, and superior thermal stability.
- Features a robust design with integrated protection for reliable operation across diverse industrial and mobile settings.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>48 V</b>	<b>24 Ah</b>	<b>13,2 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	48 V
Chemistry	LiFePO4 (Lithium Iron Phosphate)	Rated Capacity (C20)	24 Ah
Physical Specifications			
Length	261 mm		
Width	179 mm		
Height	283 mm		
Weight	13,2 kg		

### Regulatory Compliance

**CE** Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
 Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **SL.GC2.48V24A.Li**
