

# COTEK 24V Pure Sine Inverter

Inverter / Omvormer | COTEK | SP.3000-224

Without a pure sine wave, sensitive electronics risk damage and performance degradation; this inverter delivers pristine 230V AC power, mimicking grid electricity for maximum compatibility and safety. Engineered for mobile power solutions, it ensures reliable AC power for RVs, marine vessels, and remote work sites.

### Features

- Delivers pristine 230V AC power with a pure sine waveform, safeguarding sensitive electronics from damage and ensuring optimal performance.
- Engineered for mobile power solutions, including RVs, marine vessels, and remote work sites where reliable AC power is essential.
- Utilizes advanced inverter technology to provide stable and clean power, mimicking grid electricity for maximum compatibility and safety.
- Built with robust protection features to ensure long-term reliability and safe operation in diverse environmental conditions.

CONTINUOUS POWER

**3.000 W**

NOMINAL OUTPUT VOLTAGE

**230 V**

WEIGHT

**8,2 kg**

## Technical Specifications

Input		Output	
Nominal Input Voltage	24 V DC	Nominal Output Voltage	230 V AC
		Waveform	PURE_SINE
Power		Physical Specifications	
Continuous Power	3.000 W	Length	420 mm
		Width	220 mm
		Height	100 mm
		Weight	8,2 kg

### Regulatory Compliance

Standards: EN 62109-1, EN 62109-2, EN 55011  
Regulatory: CE

### Product Identification

Item Code: **SP.3000-224**  
Model: **SP.3000-224**
