

TUDOR 12V 95Ah Starter Battery

Battery / Accu | TUDOR | TA954

For extreme temperatures, 800A CCA ensures reliable ignition and prevents fleet downtime. This TUDOR TA954 battery's advanced plate technology sustains high-current delivery for demanding commercial and passenger car uses.

Features

- Delivering 800A of cold-cranking power, the TUDOR TA954 ensures your vehicles start reliably, even in sub-zero temperatures, minimizing downtime and operational disruptions.
- Engineered for commercial vehicles, light trucks, and demanding passenger cars, this battery provides the robust starting power essential for keeping fleets and operations moving.
- Utilizing advanced battery technology, the TA954 offers consistent performance and durability, outperforming standard batteries in demanding start-stop applications.
- Designed with a focus on longevity and resilience, the TUDOR TA954 features a robust casing and advanced internal construction to withstand vibration and extreme temperatures.
