

TUDOR SHD-HVR Carbon 12V 140Ah Starter Battery

Battery / Accu | TUDOR | TE1403

EFB+ tech with carbon additives boosts conductivity for superior heat management and extended life. This 800A CCA starter battery reliably powers Heavy Duty vehicles and marine craft, even in extreme temperatures.

Features

- Delivers reliable engine starting power with 800A CCA, ensuring your Heavy Duty vehicles and marine craft are always ready to go, even in extreme temperatures.
- Specifically engineered for the demanding environments of Heavy Duty commercial vehicles and marine vessels, providing power you can trust.
- Features advanced EFB+ technology with carbon additives for enhanced conductivity, superior heat management, and extended battery life.
- Built for resilience with robust construction and high-quality internal components, offering dependable power and protection against vibration and deep discharge.
