

TUDOR 12V 185Ah Starter Battery

Battery / Accu | TUDOR | TF1853

Sustained engine starts in sub-zero conditions are guaranteed by 1150A cold-cranking power, preventing operational disruptions for demanding fleets. Engineered for agricultural, construction, and commercial trucking, this battery delivers consistent, high-current discharge to power complex vehicle systems.

Features

- Delivers reliable engine starts even in sub-zero conditions with 1150A cold-cranking power, minimizing operational disruptions for your fleet.
- Engineered for the rigorous demands of agricultural tractors, construction equipment, and commercial trucking operations, ensuring consistent power delivery.
- Features advanced plate technology optimized for high current discharge, providing the rapid energy needed to power complex vehicle systems.
- Built with a robust casing designed for superior vibration and impact resistance, safeguarding performance in harsh and demanding work environments.
