

# TUDOR 12V 235Ah Starter Battery

Battery / Accu | TUDOR | TF2353

1300A cold-cranking power ensures reliable engine starts in demanding conditions, keeping operations moving without interruption. Its HDX technology provides enhanced durability and vibration resistance for longer service life in heavy-duty vehicles.

### Features

- Delivers 1300A of cold-cranking power to ensure reliable engine starts in the most demanding conditions, keeping your operations moving without interruption.
- Specifically engineered for heavy-duty vehicles and equipment, including commercial trucks, agricultural machinery, and construction vehicles, providing the robust power needed for continuous operation.
- Utilizes HDX technology for enhanced durability and vibration resistance, ensuring a longer service life and consistent performance in harsh operational environments.
- Designed for high-cycle applications and deep discharge tolerance, offering superior energy reserves for auxiliary systems and extended operational periods.
