

TUDOR 12V 110Ah Starter Battery

Battery / Accu | TUDOR | TG1100

750A cold-cranking power ensures reliable engine starts in all conditions, minimising operational interruptions. Engineered for heavy-duty automotive and commercial vehicle applications, it provides robust starting power and extended service life for trucks, buses, and machinery.

Features

- Delivers 750A cold-cranking power to ensure reliable engine starts in all conditions, minimizing operational interruptions.
- Engineered for heavy-duty automotive and commercial vehicle applications, providing robust starting power for trucks, buses, and machinery.
- Utilizes advanced battery technology for consistent high performance and extended service life, reducing replacement frequency.
- Designed with a durable casing and reliable terminal connections for secure fitment and long-term operational integrity.
