

TUDOR 12V 140Ah Starter Battery

Battery / Accu | TUDOR | TG1402

900A cold-cranking power ensures reliable starts even in extreme temperatures, preventing operational halts due to insufficient ignition energy. Engineered for commercial vehicles and heavy machinery, this battery guarantees steadfast performance where it matters most.

Features

- Delivers 900A of cold-cranking power for reliable starts in extreme temperatures, ensuring your operations are never halted by a weak battery.
- Specifically engineered for the rigorous demands of commercial vehicles, agricultural machinery, and construction equipment, guaranteeing steadfast performance where it matters most.
- Incorporates advanced plate technology for enhanced durability and a significantly extended service life, reducing replacement frequency and total cost of ownership.
- Features a robust design resistant to vibration and impact, ensuring consistent power delivery and operational integrity in harsh working environments.
